ESTABLISHED 1840.

WE thank our respected contemporary, the Mobile Register, for calling our attention to an error in Friday's APPEAL wherein we said that "Congress might vest in Senator Edmunds the succession in case of the death of Mr. Cleveland." We intended ing Interests at Philadelphia—New to have added, in accord with the section of the Federal constitution quoted, "until a President could be elected." In the Ar-PEAL of yesterday we made fuller explanation and set ourselves right with our Result of the Election for Taxing Dis

ALL that was mortal of the late Vice President Hendricks was laid to rest yesterdsy under circumstances of exceptional funereal point and ceremony, a great throng of people being present, among then some of the most distinguished men of the republic, members of the Cabinet,

hundred million dollars in bonds, stocks and railroad property, and is satisfied. He is not greedy, does not want it all, and so willingly steps down and out after a varied should be a still be added and western markets are now pretty well supplied Stocks. Schenectady, N.Y., December 1.—Donald Stocks at tide water have declined, but the demand is too heavy to justify any stubborn course by producers as against the reasonable demands of miners. Receipts of lumbers and died in ten minues. eer of twenty-five years. He first came ber are falling off and all yard; along the ninently into view in connection with the Eric Railroad, as a partner of Jim Fiske and has main'ained himself ever nce by dint of his shrewdness, tact and

His operations have all been of the most gigantic character and he still controls the largest railway system in the Union and is master of the destinies of the Western Union Telegraph Company. Mr. Gould is a modest man, who in private life is greatly given to books and the education of his children. He is a man of much personal cultivation, and the prime of life is in a condition to enembered gratefully for his munificence

THE Legislature of Alabama, during its last session, repealed the crop lien law, to take effect on the 1st of January. The Selma Times, explaining the practical effect ves a lien on the crop superior to a'l validity of mortgages, which may be given on unplanted crops, but there will be no nedy by attachment. To sesert the n created by such mortgages it will be essary to go into chancery. So that ically, the only difference between the operation of the old law and the new before las, D. Boyd Smith, an old cit zen twenty-five feet, will be that under the new law the zd so i farmer of Pium Bayou township, in Montreal, Decemb ancer, before he takes his mortgag, which he always did take in addit the lien note, will have to examine the records to ascertain whether there are any judgments against the proposed bor ower, and, in case of default, will have to file a bill in chancery instead of suing out an attachment. As the criminal law still operates to prevent the removal of crops on which there is a lien, it is not lought there will be any greater necessit for a resort to the courts than before the repeal. An incidental effect of the repeal will be that these persons who have been vering up everything under the crop out of the way or make other arrange

Norming so infamous as the attempt t weight the character of Andrew Johnson with a conspiracy against the peace and need any proof to sustain those charges, possessed at the time when n face of that statement of Sherman's, Mr. ent number of the North American Review. moved by a purpose of hate and malice to the Insurance Department the govern-hrow the slime of his suspicion over the ment securities were exchanged for raileved by a purpose of hate and malice to character of a man- who in the years to ome will go heralded to all time as the efender of the constitution which (Boutwell) wholly disregarded in the policy of reconstruction he and Thad Stevens enforced. Mr. Boutwe'l be his article as if he had pr ofs to offer, failing in these he fails to affirm that movement Gen Grant, through Mr. Depew, charged him with. Histartice is an importal and hugh-charactered publication in like the North American Review. Even the New York Tribune, black as the hub of hell where the South and Southern met are concer. ed. co-desses that Boutwell "does not bring forward any direct." The Indian Grazing Land Fund.

NEW Olders of thing forward any direct. The strike much more than plausible." This is the best that the story of Johnson's plots much more than plausible." This is the best that Boutwell, one of the matter best that Boutwell, one of the matter spirits of the impeachment, can do, with all his knowledge of its inside history, and accommittee to level the lower house of the Cherokes, per capita, is now before the lower house of the Cherokes, per capita, is now all in the country and his concurrence and active participation in that cowardly conspiracy sgainst the President. He has no direct evidence, the President. He has no direct evidence when the lower house of the Monongahels have run prints of the impeachment, can do, with all his knowledge of its inside history.

tesuit of the Flection for Taxing Dis SPECIAL TO THE APPEAL.

BROWNSVILLE, TENN., December 1.—The election of Taxing District Commissioners was held to-day with the following result: W. M. Scott and Joe Sternberger were reelected and John R. Hezd, instead of S. F. Thomas. Marshal Dan Russell was reelected. Corporation magistrate, Wm. Richards

CROOKED INSURANCE COMPANY. The New York Bowery in an Unsat factory Condition. ALBANY, N. Y., December 1 .- The

port of Superintendent McCulla of the Insurance Department on the affairs of the New York Bowery Fire Insurance Company states that, while policy holders are secure, there is cause for dissatisfac-tion among the stockholders, as the surplus has decreased in five years more than \$200,000. He charges that reports of unearned profits. It is further alleged by him that the company has been in the habit of changing its securities for statement purposes, thus reporting United States bonds to the extent of sev-eral thousand dollars which had been exeral thousand dollars which had been ex-changed for securities that were taxable. After the statements were surrendered, the government bonds were disposed of and other securities given back to the lasurance company. The last change thus made covering the company's report for December 31, 1884, was for \$500,009 in United States bonds, which were ex-changed with the First National Bank of New York city for railroad stocks and

Alconstruction on a charge of using the mails for sending out circulars offering to sell counterfeit money. Rowe is said to be an extremely slick confidence man with about seventy slices and as many addresses scattered over the city. If one the Battery to Harlem river. Among the effects of Rowe seized were about 1000 letters which he had received from different parts of the country, many of which had contained money. These amounts were independent.

GENERAL WASHINGTON NEWS. Respect to the Memory of the Lat-Vice-President

WASHINGT'S, December 1.—In accordance with the President's order, all the files of the general government and of cflices of the general government and of the district government were closed to-day as a mark of respect to the memory of the late Vice President. The public schools and many business houses were also closed, and at noon there was a general tolling of bells. It was like Sunday at the White-House. A few callers put in an appearance, but were informed that the house was closed. The official part of the house was entirely deserted, and the President and Col. Lamont spent the day in the private part of the museum. Every public build ng is most profusely and appropriately draped in mourning, and all the flag; are at half-mast. The White-House was never so well draped as to-day. House was never so well draped as to-day, the mourning emblems being peculiarly

imposing and suitable. Public Health Association. Washington, November 28.—Secretary McGinn of the local Committee of Arrangements, says there will be over 500 delegates in attendance upon the annu-meeting of the American Public Healt Association. The opening session will be held December 8th. Dr. A. C. Bernays of held December 8th. Dr. A. C. Bernays of 8t. Louis is on the programme for a paper on "The Relation Between Micro-organ-isms and Cells." Dr. John W. Harris of 8t. Louis is to deliver an address on "Carelessness the Cause of Disease." Other papers to be read by Western and Sou hern physicians are as follows: 'School Hygiene, Public and Private," by Dr. William Osrar Trailkill, San Fran-

FUNERAL NOTICE.

Saturday last, three negroes and one white man, besides several wounded.

There is no abatement of feeling and there is constant liability of bloodshed. County authorities have done nothing toward suppræssing riotous proceedings. No militia have yet arrived. Women and children are being sent away from Brevier. Trouble is feared to night. A meeting of the citizens of Macon was held this aftertemoon to take measures to restore order. Three hundred stand of arms arrived this afternoon and the sheriff is organizing a company. The negro miners remain inside the stockade at the mine and fire at all white miners who come within range of their guns. Every man and boy at the mine who is able to handle a gun is said to be armed. SENSATIONAL SCENE In the German Beichstag Over the En

BE GULF VIEW—Buy a House on the Graved Mexican GULF COAST, where you won't freeze in winter. Thermometer rarely below 40 degrees. Forty-five miles east on the Mexican on the Louisville and Nash ville Railroad; your daily trains; Toulme depo on this piace. Unsurpassed gunning and fishing Orange growth equals Florida. Oranges growton this coast took fitto gold medal at the World Exposition, New Orleans, last winter. One mil of Gulf front; steamers passing between New Or leans and Mobile, in full view. Oysters, soft-she crabs and shrimns abound in season. Asthmather the shrims are shrimns abound in season. Asthmather has a shrimn a bound in season. Asthmather has a shring the balm salt sea air. Send 22 and you will set a deed by return mail for a building lot 507200, which will be worth ten times this amount in less than five years. Address Logan Walker, Holly Serings Miss., or R. J. Black & Co., Memphis, Tenn.

JACKBON, Miss., Sept. 31, 1880. Miss., or R. J. Black & Co., Memphis, Tenn.

Jacksov, Miss., Sept. 31, 182.

I take great pleasur in stating that dulf Yiew adjoins the celebrated J. F. H. Claiborne place, and is decidedly one of the most desirable on the Gulf coast. I say this, having often been on and over the place. Very respectfully.

E. G. WALL. Commissioner of immigration and Agriculture, State of Mississippi
